Dear Peter and Buffy,

Petition P-06-1518 Provide more timely and accessible mental health support for children under 10, including by referral to Child and Adolescent Mental Health Services (CAMHS)

The Petitions Committee met on 6 October and considered the above petition, submitted by Lisa White.

Members thanked the petitioner for raising a very important issue that has received much cross-party attention, but agreed that the Health and Social Care Committee and the Children, Young People and Education Committee were best placed to scrutinise the Welsh Government's Mental Health and Wellbeing Strategy. On that basis, the Committee decided to close the petition and to highlight it with you as Chairs of those Committees.

The full details of the Committee's consideration of the petition, including the correspondence and the actions agreed by the Committee can be found here: [P-06-1518 Provide more timely and accessible mental health support for children under 10, including by referral to Child and Adolescent Mental Health Services \(CAMHS\)](#)

I would be grateful if you could send any response by e-mail to the clerking team at petitions@senedd.wales.

Yours sincerely
