Evidence from: Individual

1. What are your views on the general principles of the Bill, and whether there is a need for legislation to deliver the stated policy intention?

(We would be grateful if you could keep your answer to around 500 words).

Totally unnecessary Bill, that would harm the tourism industry in Wales. It will hit our Economy and cost thousands of jobs.

2. What are your views on the Bill's provisions, including whether they are workable and will deliver the stated policy intention?

(We would be grateful if you could keep your answer to around 500 words).

See above, this Bill will harm our tourism industry in Wales. It will cost thousands of jobs, it will force tourists to go elsewhere - which will harm events like Six Nations and other events.

3. In your view, are there any potential barriers to the implementation of the Bill's provisions?

(We would be grateful if you could keep your answer to around 500 words).

Senedd needs to grow a pair of balls and realise, this Bill is grade A Dog shite.

4. Do you feel there will be any unintended consequences arising from the Bill?

(We would be grateful if you could keep your answer to around 500 words).

See above, but change unintended to intended. As that's what this Bill is going to do. It's just a Bill that's going to make Wales reliant financially on Westminster.

5. What are your views on the Welsh Government's assessment of the financial and other impacts of the Bill as set out in Part 2 of the Explanatory Memorandum?

(We would be grateful if you could keep your answer to around 500 words).

They don't give a horses fart

6. What are your views on the appropriateness of the powers in the Bill for Welsh Ministers to make subordinate legislation (as set out in Part 1: Chapter 5 of the Explanatory Memorandum)?

(We would be grateful if you could keep your answer to around 500 words).

See above

7. Are there any other issues you would like to raise about the Bill and the Explanatory Memorandum or any related matters?

(We would be grateful if you could keep your answer to around 500 words).

Yes, why is it not put to the Welsh Public? Why wasn't the increase in MS not put to the public? You say you work for us, but are you really when you take decisions out of our hands and ignore our views?
