Dear Peter,

Petition P-06-1240 Improve health services for people with epilepsy living in Wales

The Petitions Committee met on 8 December and considered the above petition, submitted by Janet Paterson.

The Committee noted that the petition had been considered multiple times and welcomed the Welsh Government having taken significant steps to address the petitioner's concerns. Members agreed to now close the petition, thank the petitioner, and share their most recent correspondence with you as the Chair of the Health and Social Care Committee, with a view to this being an area the Committee could choose to follow up on.

The full details of the Committee's consideration of the petition, including the correspondence and the actions agreed by the Committee can be found here: [P-06-1240 Improve health services for people with epilepsy living in Wales](#).

I would be grateful if you could send any response by e-mail to the clerking team at petitions@senedd.wales.

Yours sincerely

Carolyn Thomas MS
Chair
