Dear Carolyn,

Thank you for your letter of 18 March regarding the outcome of Petition P-06-1510 Direct NRW to revoke the environmental permit and ensure the closure of Enover't's, Hafod Landfill Site in Wrexham

I welcome the closure of the petition and acknowledge the ongoing work being undertaken by the Welsh Government, Natural Resources Wales, Wrexham County Borough Council and the site operator, Enover't.

I note the further actions sought by the lead petitioner, as well as the points set out in their legacy statement. As you are aware, I have received separate correspondence from the petitioner in relation to Recommendation 5 on hydrogen sulphide (H₂S) permit thresholds, to which I will respond directly.

I would like to thank the committee for their scrutiny of the matter.

Yours sincerely,

Huw Irranca-Davies AS/MS
