Dear Colleague

The National Assembly for Wales' [Health and Social Care Committee](#) is undertaking an inquiry into the contribution of community pharmacy to health services in Wales.

To assist with its inquiry, the Committee would welcome your views on any or all of the following points:

- the effectiveness of the Community Pharmacy contract in enhancing the contribution of community pharmacy to health and wellbeing services;
- the extent to which Local Health Boards have taken up the opportunities presented by the contract to extend pharmacy services through the provision of 'enhanced' services, and examples of successful schemes;
- the scale and adequacy of 'advanced' services provided by community pharmacies;
- the scope for further provision of services by community pharmacies in addition to the dispensing of NHS medicines and appliances, including the potential for minor ailments schemes;

- the current and potential impact on demand for NHS services in primary and secondary care of an expansion of community pharmacy services, and any cost savings they may offer;
- progress on work currently underway to develop community pharmacy services.

### **Invitation to contribute to the inquiry**

They would be grateful if you could forward a copy of the letter to any individuals or organisations that are not included on this list, but might like to contribute to the inquiry. A copy of this letter has been placed on the National Assembly's website with an open invitation to submit views.

The Committee also welcomes suggestions on its ways of working and possible future inquiry topics on an on-going basis.
