

P-04-558 E-CIGARETTE BAN FOR UNDER 18s

Petition wording:

We the undersigned residents of Wales call on Welsh Government to ban E-Cigarettes for under 18s

E-cigarettes have become simple and easy to buy from shops or petrol stations and under 18s get addicted with nicotine. I believe this will create more under age smokers and increase smokers in Wales.

Petition raised by: Mohammed Sarul Islam

Date Petition first considered by Committee: 3 June 2014
