

P-04-456 Dementia – This Could Happen to you

Petition wording:

We, the undersigned, call on the National Assembly for Wales to urge the Welsh Government to:

- i. Bring to an end the discrimination against dementia sufferers in Wales who apply for N.H.S. Continuing Care Funding, by allowing for the cognition category of need (known as the ‘ domain’) to go up to the level ‘ Severe’ in the Welsh version of the Decision Support Tool. This would bring it in line with the English version; and
- ii. Direct Local Health Boards to implement the National Framework for N.H.S., Continuing Care Funding correctly in terms of patient eligibility and without regard to budgetary constraints.’
