SCME132 Ymateb gan: | Response from: Mark Careless

Dear Senedd reform committee,

Thank you for the opportunity to be consulted and my thoughts considered.

It is my opinion and heartfelt feeling that these considerations for Senedd changes are wholly inappropriate, especially at this financially difficult time. Never before has so many of the electorate in Wales had suffer so much financial hardship, it is completely unacceptable that the Assembly should even be considering employing an extra 36 members at such a cost.

Wholly unnecessary and completely irresponsible, counterproductive and utterly unaffordable.

I have nothing more to offer than I am a very fortunate person who can afford to live, but see poverty and hardship every day here in our Capital City. Please do not increase the size of the AM's.

Regards, Mark Careless, MSc, IRRSM, GradIOSH
