---

I object most strongly to more politicians in the senedd, they are not wanted, not needed and another waste of public money.

It is nothing more than an attempt to keep labour with a majority for the foreseeable future.

I believe that any changes of this magnitude to our parliament should be left until after the next senedd elections when the public will have a chance to vote on the issue or at least a referendum.

Because as anyone with an ounce of common sense knows, whatever the problem,  
MORE POLITICIANS IS NEVER THE ANSWER
