To whom it may concern,

I do not agree with the idea of having more members in the Senedd as it is immoral in today's austere climate to even think about adding more staff whilst other companies and businesses are struggling to survive in Wales.

This is the worst government in my recollection, I have never ever felt so abused by ministers who have been elected by the people supposedly for the people.

What is the closed electoral system? That sounds very corrupt!

Never ever will I vote labour again, you have all lost the plot!

Your sincerely

Alan Matthews
