### **SCME173 Ymateb gan: | Response from: Nigel Cuttell**

---

I strongly oppose any increase in the number of Senedd Members.  
I base this on the effectiveness of the current membership.

I am not in favour of increasing the Senedd from 60 to 90 members.

My opinion is that this is not good use of our money.

I do not think the Senedd is achieving anything that is benefiting the people of Wales. Their initiatives/laws are damaging Wales future prosperity and the quality of life of Welsh people, as well as vote altering strategies to keep Labour in power. This is not democracy or transparent government.

I therefore think more members is yet another waste of money.

We need investment in education, NHS and business development, as well as transport infrastructure. THESE will help Wales prosper.

N. Hirst Cuttell
