SCME180 Ymateb gan: | Response from: John Heppenstall

At a time of financial difficulty, with the Welsh NHS in terminal decline and with absolutely no plan in place to deal with social care sector just when do you folks in Cardiff wake up and smell the coffee.

Why would a larger Senedd & government benefit anyone in Wales? Apart from providing more jobs-for-the-boys in the civil service and provide more feeding space at the trough its benefit to Wales will be negative on any scale you chose to measure it.

How about you folks pull your finger out and do the job you were employed to do with the resources you have.

Real leadership & governance is required. If you cannot provide it then do the honourable thing and leave the building.

John Heppenstall
