Y Pwyllgor Biliau Diwygio | Reform Bill Committee

Bil Senedd Cymru (Rhestrau Ymgeiswyr Etholiadol) | Senedd Cymru (Electoral Candidate Lists) Bill

Ymateb gan Unigolyn | Evidence from Individual

What are your views on the general principles of the Bill and the need for legislation to deliver the Welsh Government's stated policy objective (to make the Senedd a more effective legislature by ensuring it is broadly representative of the gender make-up of the population)?

It is undemocratic and unworthy of consideration. This method of "more effective legislature" would need to be evidenced, and to be considered prior to consideration of the Bill. Have other methods been considered? How about electing a male and female representative team rather than an individual?

What are your views on the system of enforcement and potential sanctions for non-compliance proposed in the Bill?

It is obviously open to abuse and ridicule as it is not protected against transgender ideology i.e. a man calling himself a woman, dressing up as a woman etc. What happens when the person changes gender following the election?

Are there any potential barriers to the implementation of the Bill's provisions? If so, what are they, and are they adequately taken into account in the Bill and the accompanying Explanatory Memorandum and Regulatory Impact Assessment?

Are any unintended consequences likely to arise from the Bill?

The Conservatives will win the next election

What are your views on the Welsh Government's assessment of the financial and other impacts of the Bill?

What are your views on the balance between the information contained on the face of the Bill and what is left to subordinate legislation? Are the powers for Welsh Ministers to make subordinate legislation appropriate?

No

Do you have any views on matters relating to the legislative competence of the Senedd including compatibility with the European Convention on Human Rights?

This looks like legislative incompetence

Do you have any views on matters related to the quality of the legislation, or to the constitutional or other implications of the Bill?

Poor quality, unconstitutional

Are there any other issues that you would like to raise about the Bill and the accompanying Explanatory Memorandum or any related matters?

Define gender to mean either of the male or female sex.

Anything else?
