Bil Senedd Cymru (Rhestrau Ymgeiswyr Etholiadol) | Senedd Cymru (Electoral Candidate Lists) Bill

Ymateb gan Cyngor Cymunedol Coety Uchaf | Evidence from Coity Higher Community Council

What are your views on the general principles of the Bill and the need for legislation to deliver the Welsh Government's stated policy objective (to make the Senedd a more effective legislature by ensuring it is broadly representative of the gender make-up of the population)?

The council is strong opposed to the introduction of the closed list system which it considered to be profoundly undemocratic.

What are your views on the system of enforcement and potential sanctions for non-compliance proposed in the Bill?

It breaks a the link between the electorate and those that represent them. It also puts too much power in the hands of political parties which further undermines the democratic process.

Are there any potential barriers to the implementation of the Bill's provisions? If so, what are they, and are they adequately taken into account in the Bill and the accompanying Explanatory Memorandum and Regulatory Impact Assessment?

The council also objects to the gender balance proposals. Candidates should be elected on their own strengths not because of gender.

Are any unintended consequences likely to arise from the Bill?

What are your views on the Welsh Government's assessment of the financial and other impacts of the Bill?

What are your views on the balance between the information contained on the face of the Bill and what is left to subordinate legislation? Are the powers for Welsh Ministers to make subordinate legislation appropriate?

Do you have any views on matters relating to the legislative competence of the Senedd including compatibility with the European Convention on Human Rights?

Do you have any views on matters related to the quality of the legislation, or to the constitutional or other implications of the Bill?

Are there any other issues that you would like to raise about the Bill and the accompanying Explanatory Memorandum or any related matters?

Anything else?

The council is strong opposed to the introduction of the closed list system which it considered to be profoundly undemocratic.

It breaks a the link between the electorate and those that represent them. It also puts too much power in the hands of political parties which further undermines the democratic process.

The council also objects to the gender balance proposals. Candidates should be elected on their own strengths not because of gender.
