Rt Hon Eluned Morgan MS

First Minister of Wales

11 February 2025

Dear Eluned,

Legislation (Procedure, Publication and Repeals) (Wales) Bill

You will recall that I wrote to you on 21 October 2024 in respect of the above Bill. Within my letter, I informed you that I had decided to defer my decision on whether a financial resolution will be required until the committees considering the Bill's general principles and financial implications had been afforded the opportunity to take evidence in respect of the Bill.

I note that the Legislation, Justice and Constitution Committee has completed its evidence taking at Stage 1, and the Finance Committee has decided to take no further action in respect of the Bill. I further note that the committees have not received any evidence which indicate that the Bill contains any provision which may charge expenditure on the Welsh Consolidated Fund.

I therefore determine, in accordance with Standing Orders 26.68 to 26.74, that a financial resolution is not required for the Bill.

Should the Bill proceed to the amending stages, you will however be aware that the requirements of Standing Order 26.72 will apply.

Yours sincerely,

The Rt. Hon. Elin Jones MS/AS

Llywydd
