Dear Huw,

Review of the United Kingdom Internal Market Act 2020

As you will be aware, the UK Government has recently launched a public consultation to inform its review of certain aspects of the *United Kingdom Internal Market Act 2020*.

The Legislation, Justice and Constitution Committee agreed on 17 February to respond to the consultation in due course. It also agreed to seek further information from the Welsh Government about its intentions with regard to the review.

With this in mind, I would be grateful if you could outline how the Welsh Government intends to engage with the UK Government on the review. I would also be grateful if you could indicate whether the Welsh Government intends to respond to the consultation, and if so, whether it will commit to share a copy of its response with the Committee.

Yours sincerely,

Mike Hedges

Chair
