Dear Dai,

Governance Arrangements at Betsi Cadwaladr University Health Board): Auditor General for Wales' Report – An Overview of Governance Arrangements

The Healthcare Inspectorate Wales and the Wales Audit Office undertook a further joint review on the actions taken by Betsi Cadwaladr University Health Board (BCUHB) to address the governance concerns identified in 2013, which the Auditor General for Wales published on 29 June.

The Public Accounts Committee considered this Report during the meeting on 10 July and noted the improvements that have been made to the governance arrangements at BCUHB. The Committee was satisfied with the direction of travel and agreed that I send you a copy of the [Report](#) and request that your Committee considers the governance arrangements at BCUHB as part of the regular scrutiny sessions you hold with the Cabinet Secretary for Health, Well-being and Sport and the Minister for Social Services and Public Health.

Yours sincerely,

Nick Ramsay AM
Chair
