Ymateb gan Cyngor Cymuned Caersws  
Evidence from Caersws Community Council

Caersws Community Council support this Bill and would like to add that Llanidloes High School has an Autism Spectrum Unit which has almost been closed down several times but pressure from teachers and parents has kept it open. The admissions criteria for these units should be kept 'open' and not changed to make it harder to be eligible for access to this and other similar units.
