Dear David,

Thank you for your further letter of 7 August in relation to Petition P-05-767 regarding the A487 trunk road through Tre-Taliesin and Tre'r Ddol. I am sorry for the time it has taken for you to receive a response.

We are unable to provide a definitive date of when the survey and assessment work will be carried out on the A487 at Taliesin and Tre'r Ddol. However, it remains committed for this financial year. We currently have several hundred similar commitments to be addressed this financial year across the whole of Wales, all of which will be taken forward by our Agents.

Given this workload it is not always practicable for our Agent to meet with individual residents and communities on these routes. Although, any concerns that we or our Agents are informed of are logged and considered when work is being taken forward. We are aware of the concerns among the local community in Tre-Taliesin and Tre'r Ddol which are logged for consideration as part of our work there.

Should the community have anything further to add to those comments; they may wish to contact the North and Mid Wales Trunk Road Agent (NMWTRA). Contact details can be found at the following link http://www.nmwtra.org.uk/en/contact-us/

Yours ever,

Ken Skates AC/AM
