Dear Minister,

PAC Report: Coastal Flood and Erosion Risk Management in Wales

Thank you for your letter of 17 January in which you advised of the timetable for the Coastal Risk Management Programme and specifically the completion of the mid-programme review. The Committee considered your letter in Committee on 29 January.

I am pleased to note the progress being made with the various schemes and wish to request a written update following the mid-programme review scheduled for the 2019/20 financial year.

Yours sincerely,

Nick Ramsay AM
Chair
