27 September 2018

Dear Lynne

Thank you for your letter of 13 September regarding the Welsh Government's proposals on revised eligibility criteria for free school meals in Wales. The consultation on these proposals ended on 14 September and responses, including that submitted by the Children's Society, are now being analysed; a report summarising the responses will be published later this term.

I await the views of the Children, Young People and Education Committee following their meeting on 20 September. However, in the meantime, if Committee members require further information about our proposals, please let me know.

Yours sincerely
