#### **Commentary**

These Regulations are proposed to be made by the UK Government pursuant to section 8 of, and paragraph 21 of Schedule 7 to, the European Union (Withdrawal) Act 2018.

The EU's Common Fisheries Policy (CFP) regulates fishing activities and the enforcement of those activities in UK waters. The CFP comprises approximately 100 EU Regulations which impose a common approach to the sustainable management of fisheries across the EU and its waters. The Regulations have direct effect in UK law.

These Regulations make technical amendments to address deficiencies within CFP legislation.

Legal Advisers agree with the statement laid by the Welsh Government dated 30 November 2018 regarding the effect of these Regulations.

The above summary and the content of the Explanatory Memorandum to these Regulations confirm their effect.

Legal Advisers do not consider that any significant issues arise under paragraph 8 of the Memorandum on the European Union (Withdrawal) Bill and the Establishment of Common Frameworks in relation to these Regulations.

Legal Advisers have not identified any legal reason to seek a consent motion under Standing Order 30A.10 in relation to these Regulations.
