Dear Dai Lloyd AM

When we gave evidence to the Health, Social Care and Sport Committee we were asked by David Rees AM to go back to our peers and ask them what things they think most need to change.

To make this happen we have worked with Carers Trust Wales to send a one-page form to all young carers services in Wales giving as many young carers as possible the chance to have their voices heard.

So far, we have had over 90 responses from young carers ranging in age from 8 to 24 from all across Wales. They have been supported by Network Partners of Carers Trust Wales, Action for Children, YMCA and Barnardo's to complete the form and return it to us and we are really grateful to them for their support.

We have also discussed this with the carers groups we represent on the Carers Trust Wales Youth Council and other young carers we know.

Although lots of different issues were raised, in our opinion there are 4 clear things that most young carers think need to improve:

- Awareness of young carers at school
- Opportunities to socialise with other young carers both at school and outside of school
- Chances to be active and to go on holiday with and without the people we care for
- Guaranteed funding for our young carers services so that we don't have to worry about losing the support we rely on

We think the Health, Social Care and Sport Committee of the National Assembly for Wales should listen to what young and young adult carers think is most important when making recommendations about what should change.

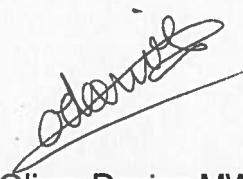

Carers Trust Wales / Ymddiriedolaeth Gofalwyr Cymru

We were really grateful to have the chance to meet with you and the rest of the Committee on Young Carers Awareness Day. It meant a lot to us and all of the other young carers who were there that you listened to what we had to say.

We hope that this additional information will be useful for you and that you can use it to help make sure that all young carers in Wales are supported. It is important that more people are made aware of what young carers do and the importance of recognising and supporting us.

If we can help with anything else as part of this inquiry, please contact us through Kate Cabbage kcabbage@carers.org

Yours sincerely

Grace Barton MWYP, Oliver Davies MWYP and Bethan Evans

Supporting Young Carers / Cefnogi Gofalwyr Ifanc

The Assembly is doing an inquiry into how carers are supported across Wales. They've already heard from many members of Carers Trust Wales' Youth Council, but we want to give more young carers the chance to tell the Assembly what you want.

Mae'r Cynulliad yn cynnal ymchwiliad i sut mae gofalwyr yn cael eu cefnogi ledled Cymru. Maent wedi clywed yn barod gan sawl aelod o Gyngor Ieuenctid Ymddiriedolaeth Gofalwyr Cymru ond rydym eisiau rhoi cyfle i fwy o ofalwyr ifanc ddweud wrth y Cynulliad beth rydych eisiau.

Tell us what one thing you think could be done better to support young carers / Dywedwch wrthym pa un peth allai gael ei wneud yn well i gefnogi gofalwyr ifanc.

We asked all of our 8-10 year old young carers, during group sessions for one idea; we got the following suggestions

- chances to go to exciting places like the zoo + Allan Towers.
- fidget toys for when we're anxious
- more involvement of family and other non-young carer friends in services

TO help young carers I strongly believe schools should be further educated and carers need safe places to go and to understand and help us with homework by extending deadlines. Also give more support to GCSE students. Further more it carat to show we are carers and we're not using this as an excuse.

Supporting Young Carers / Cefnogi Gofalwyr Ifanc

The Assembly is doing an inquiry into how carers are supported across Wales. They've already heard from many members of Carers Trust Wales' Youth Council, but we want to give more young carers the chance to tell the Assembly what you want.

Mae'r Cynulliad yn cynnal ymchwiliad i sut mae gofalwyr yn cael eu cefnogi ledled Cymru. Maent wedi clywed yn barod gan sawl aelod o Gyngor Ieuenctid Ymddiriedolaeth Gofalwyr Cymru ond rydym eisiau rhoi cyfle i fwy o ofalwyr ifanc ddweud wrth y Cynulliad beth rydych eisiau.

Tell us what one thing you think could be done better to support young carers / Dywedwch wrthym pa un peth allai gael ei wneud yn well i gefnogi gofalwyr ifanc.

Supporting Young Carers / Cefnogi Gofalwyr Ifanc

The Assembly is doing an inquiry into how carers are supported across Wales. They've already heard from many members of Carers Trust Wales' Youth Council, but we want to give more young carers the chance to tell the Assembly what you want.

Mae'r Cynulliad yn cynnal ymchwiliad i sut mae gofalwyr yn cael eu cefnogi ledled Cymru. Maent wedi clywed yn barod gan sawl aelod o Gyngor Ieuenctid Ymddiriedolaeth Gofalwyr Cymru ond rydym eisiau rhoi cyfle i fwy o ofalwyr ifanc ddweud wrth y Cynulliad beth rydych eisiau.

Tell us what one thing you think could be done better to support young carers / Dywedwch wrthym pa un peth allai gael ei wneud yn well i gefnogi gofalwyr ifanc.

I think there needs to be more support in schools. Especially when the person they care for is in school with them. This has caused G stress as she can't relax in class when her sibling gets told off and has trouble on the school yard. G is always on guard and I think if there's something G could do that is away from her sibling would be very helpful as she can

be G, even if its just for a short period of the day

Supporting Young Carers / Cefnogi Gofalwyr Ifanc

The Assembly is doing an inquiry into how carers are supported across Wales. They've already heard from many members of Carers Trust Wales' Youth Council, but we want to give more young carers the chance to tell the Assembly what you want.

Mae'r Cynulliad yn cynnal ymchwiliad i sut mae gofalwyr yn cael eu cefnogi ledled Cymru. Maent wedi clywed yn barod gan sawl aelod o Gyngor Ieuenctid Ymddiriedolaeth Gofalwyr Cymru ond rydym eisiau rhoi cyfle i fwy o ofalwyr ifanc ddweud wrth y Cynulliad beth rydych eisiau.

Tell us what one thing you think could be done better to support young carers / Dywedwch wrthym pa un peth allai gael ei wneud yn well i gefnogi gofalwyr ifanc.

The support that is on offer in schools and colleges, it needs to be more out there. There isn't much information at hand unless you ask for it.

I think that providing more support in schools / colleges / universities would help more because it would allow non-young carers to be aware of what they could do to help.

I think if we could get a bigger budget we would be able to save a little more money to help with transport for the young carers to be dropped off at the meet up by possibly being able to buy a mini bus, and due to a lot more young carers that are starting to come forward we would need to be able to provide transport for the young carers that can't be drop offed by their Guardian/guardians.
