Petition P-05-862 – Tackling school bullying

Dear Janet,

Thank you for your letter of 18 April requesting further information on the above petition following the meeting of the Petitions Committee on 2 April.

My officials are still in the process of analysing the various and often technical responses received during the recent public consultation on the revised anti-bullying guidance. Therefore, at this stage there is nothing further of substance I can expand on since my previous letter to the Committee of 12 March.

I will shortly publish a summary of responses to the consultation. Work will then move to focusing on the development of the revised guidance and supporting toolkit, taking into account all views received during the consultation, including the petitioners. The suite of guidance documents and resource toolkit will be published later this year

Yours sincerely
